ROYALTY ACQUISITIONS

Legacy Royalties provides competitive purchase prices for oil and gas royalties. We can close sales quickly with no cost to the seller. All of our business is from referrals and website response.

Legacy Royalties has been offering its services since 1994 and is managed by a petroleum engineer with over 25 years of experience. Our website is a good resource for learning more about our services.

Inquiring does not obligate you to sell, so feel free to contact us through phone or email if you would like to discuss your royalties.
